Sure, but can you put it on SharePoint or OneDrive and have all of us (including Erica, Lars, Joe and Karen) review so we're all on the same page. No worries if it's just a copy and paste.

Here are the dates and times that work for EPA (my, you, Erica Fleisig, Lars Wilcut, Karen Kesler, Joe Beaman, and Corey Buffo) and North Dakota.

The absolute best is Monday, October 26, 4-5 pm ET (3-4 Central).

Tuesday to Thursday we won't have Joe Beaman, but the next best date is Wednesday, October 28, 4-5 pm ET (3-4 pm Central).

After that Tuesday, October 27, 4-5 pm ET (3-4 pm CT), and Thursday, October 29, 4-5 pm ET (3-4 pm CT).

Friday is out because many people, including me and Erica are compressed (out of the office).

Mario

Mario, can I send you the draft language re selenium in ND's letter for your review? It's basically what you sent me from the R4 correspondence.

Thanks.

No, I can check people's calendar from here and give you the dates that work for us and ND.

Subject: ND DEQ would like to have a call re: selenium

Hi Mario, I just received an email from Pete Wax, WQS Coordinator with North Dakota DEQ, who said based on internal discussions at DEQ, he and Karl Rockeman, WQ Division Director, would like to have a call with headquarters personnel to discuss the selenium issue.

Andrew Todd will also be on the call. Free times for ND DEQ are (central time): Monday after 3:00, Tuesday 8:30-9:30 and 11:30-5:00, Wednesday (all day), Thursday 1:00-5:00, Friday (all day).

Shall I get in touch with Lars et al, or do you have time to coordinate a call? I'll set it up once I know everyone's availability.

Thanks,
Holly
